PRESENTER:

Holly Ireland, Project Director, Central East ATTC.

Holly has been working in the behavioral health field for 28 years. She holds an MSW with concentrations in Clinical

and Management and Community Organization, and is a graduate of the Shore Leadership program. She serves as Adjunct Faculty for Salisbury University's School of Social Work and holds a certificate in online teaching and learning.

COURSE DESCRIPTION:

This course is designed to enhance leadership knowledge and skills of the attendees, and build cohesion among the members of this leadership team. This will be achieved over the course of two days: the first being on January 31, and the second on March 14, 2019.

LEARNING OBJECTIVES

- Understand and identify the similarities and differences between management and leadership
- Evaluate personal strengths and areas for growth for self management in the leadership role
- Apply knowledge and skills in change management at the individual, program and systems levels
