

# ***On-the-Spot***

---

## REAL TIME ADVICE

An open, online forum for Mental Health, Substance Use Disorders, and Recovery Support Services providers to obtain real time input from Mountain Plains ATTC consultants on a variety of behavioral health topics.

Guided by participants' questions, the goal of these discussions is to increase knowledge, build skills, and change practice through the adoption of evidence-based and promising practices.

**No Registration Required to Attend**

# Join the Discussion!
