

Substance Use Disorder Workforce: Recovery & Medication Assisted Treatment Summit

SAVE THE DATE

June 4, 2019

DoubleTree Sacramento

June 11, 2019

DoubleTree Anaheim-Orange County

8:30am – 5:00pm

(Doors open at 7:30am)

Same Program Regionally

The Substance Use Disorder (SUD) Workforce: Recovery and Medication Assisted Treatment (MAT) Summit brings together registered and certified SUD counselors and other disciplines of the behavioral health workforce to provide education and resources pertaining to MAT, tools to address and reduce stigma and ways the workforce can join California's current efforts to address SUD emerging epidemics.

GOALS:

- Provide an understanding of the disease of addiction and address the stigma often associated with MAT.
- Share MAT facts, outcomes, and the benefits that MAT has on individuals to achieve a sustainable recovery.
- Provide tools designed to initiate MAT conversations and available resources aimed at connecting individuals to MAT.

AUDIENCE: Registered and Certified AOD Counselors, Licensed Professionals, Physicians, Registered Nurses, Nurse Practitioners, Certified Nurse Midwives, Physician Assistants, Pharmacists, SUD Providers, Mental Health Professionals, Behavioral Health Workforce Professionals and any personnel working with individuals with a substance use disorder.
