Speaker:	Andrew Kurtz, LMFT, UCLA Integrated Substance Abuse Programs
Who Should Attend:	This three hour live virtual training is free and is open to providers including: <ul style="list-style-type: none">• Psychologists• LMFTs and LCSWs• Registered Nurses• Certified Substance Use Disorder Treatment Counselors• Other Behavioral Health Specialists/Clinicians
Training Description:	The purpose of this interactive, live, virtual training is to introduce participants to strategies that can be used to best deal with patient crises, risk situations, and difficult or hard to engage patients. Participants will work on developing strategies for addressing such issues as suicidal ideation, homicidal ideation, the impact of personality disorders, boundaries, transference, countertransference, inappropriate behavior, and other patient-clinician relationship type issues are discussed. Participants are encouraged to share past and present work-related experiences with handling such situations.
Educational Objectives:	At the conclusion of the training session, participants should be able to: <ol style="list-style-type: none">1. List at least three strategies for addressing suicidal ideation with patients.2. Identify the basic components of determining level of severity of risk for suicide or homicide.3. Describe at least two concrete strategies to employ when faced with issues such as crises among clients with co-occurring substance use and mental illness.4. Demonstrate two effective communication methods for de-escalating a patient crisis.
Continuing Education:	The training course meets the qualifications for the provision of three (3.0) continuing education credits/contact hours (CEs/CEHs).  UCLA Integrated Substance Abuse Programs (ISAP) is approved by the American Psychological Association to sponsor continuing education for psychologists. UCLA ISAP maintains responsibility for this program and its content. UCLA ISAP is approved by the California Association of Marriage and Family

Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content.
