# Increasing Screening for Infectious Disease in Opioid Treatment

**Webinar Series | September 9 - October 7, 2020**  
**Each Wednesday from 12noon-1:30 PM EDT**

Brought to you by HHS Region 3 partners: [Central East Addiction Technology Transfer Center](#) and [MidAtlantic AIDS Education and Training Center](#)

## SERIES GOAL:

To enhance and increase screening of infectious disease in Opioid Treatment Programs (OTPs) and to increase collaboration among STI/HIV/HCV clinics, substance use treatment providers, family planning clinics, and others.

Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by calling 412-624-1895 or emailing [maaetc@pitt.edu](mailto:maaetc@pitt.edu).

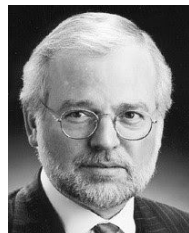

Accreditation information is available at each session's registration page.
