

California Hub and Spoke System Presents

MAT Waiver Training for Tribal Providers

The American Academy of Addiction Psychiatry, the California Department of Health Care Services-funded California Hub and Spoke System, PSATTC, and UCLA Integrated Substance Abuse Programs are offering a Medication-Assisted Treatment (MAT) Waiver Training focused on Tribal Health. Space is limited and registration will be filled on a first come, first served basis. These TWO two-hour trainings will together serve as the live portion of the Half and Half MAT Waiver Training. Attendees must attend **BOTH** sessions in their entirety in order to receive the link to the online training and receive their waiver.

This training is intended for MDs, DOs, PAs and NPs who are interested in prescribing buprenorphine. For more information about the steps needed to obtain the Data 2000 Waiver to prescribe buprenorphine, go to <https://pcssnow.org/education-training/mat-training/>.

Thursday, November 19th and December 3rd, 2020 – 6:00pm-8:30pm

Trainer: David Kawika Liu, MD, PhD, JD
Location: Live Virtual Training

Register at: <https://ucla.zoom.us/meeting/register/tJlkfu2sqjopH9xqiZaRMgmL32hWfnS4tVpx>

Funding for this training was made possible (in part) by grant no. 1H79T1081968 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government

[Tribal] A unified response to
[MAT] the opioid crisis in
California Indian Country

Learning objectives:

At the conclusion of this activity participants should be able to:

1. Screen and identify patients with OUD, define evidence-based treatments
2. Discuss pharmacology of opioids as it relates to treatment of opioid use disorder (OUD) patients
3. Describe fundamentals of office-based opioid treatment and treatment of co-morbid patients
4. Explain the process of buprenorphine induction, stabilization and maintenance
5. Discuss all FDA approved antagonist and agonist medications to treat OUD
6. Discuss basic office protocols including medical record documentation and confidentiality
7. Utilize evidence-based resources to ensure providers have the confidence to prescribe buprenorphine for patients with OUD
8. Recognize the importance of obtaining a waiver to begin treating patients with OUD

Joint Accreditation Statement: In support of improving patient care, this activity has been planned and implemented by the American Academy of Addiction Psychiatry and The California Hub and Spoke System, Department of Health Care Services, UCLA Integrated Substance Abuse Programs, Pacific Southwest Addiction Technology Center, and Tribal Medication Assisted Treatment. American Academy of Addiction Psychiatry is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Interprofessional Continuing Education (IPCE) Designation Statement: This activity was planned by and for the healthcare team, and learners will receive 4 (four) Interprofessional Continuing Education credits for learning and change.

Physician Designation Statement: American Academy of Addiction Psychiatry designates this Other activity (one portion of this course is an independent online activity and another portion of this course is a live face-to-face educational exchange with a clinical expert trained to present this material) for a maximum of 4 (four) *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Designation Statement: American Academy of Addiction Psychiatry is an approved provider of nursing continuing education through AAAP's Joint Accreditation provider # 4008192. This program is approved for up to 4 Nursing Contact Hours.

PA Designation Statement:

American Academy of Addiction Psychiatry has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 4 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

****AAAP is the Data Sponsor for this waiver training****
