Training Description and Core Clinical Components

These live virtual convenings are designed for all substance use disorder treatment and recovery providers across California. In each session, participants will explore the key components of delivering effective, culturally-informed services to American Indian and Alaska Native people in mainstream, Tribal, and Urban Indian specific settings. Sessions will provide opportunities for participants to engage in experiential activities and discussions to explore the importance of providing culturally responsive care and to learn about best practice models in effective treatment collaboration across systems and providers. Featured presenters will share lessons learned in developing and implementing comprehensive, culturally appropriate health services.

Who should attend

- Physicians
- Registered Nurses/Nurse Managers
- Clinical Administrators
- Psychologists
- LMFT's and LCSW's
- Certified Substance Use Disorder Treatment Counselors
- Other Primary Care and Behavioral Health Specialists/Clinicians
- Any health care provider who wants to improve their capacity to provide culturally responsive care for American Indian and Alaska Native people in California
- Key Stakeholders (Family Services, Community Supports, Education Departments, Criminal Justice Settings, Consumers.)

Learning Objectives

Participants will be able to:

1. Observe two (2) strategies of building community through culture in experiential activities and discussions.
2. Explain two (2) components on the importance of providing culturally responsive care.
3. Recall two (2) best practice models in effective treatment collaboration across systems and providers.
4. Identify one (1) lesson learned in developing and implementing comprehensive, culturally appropriate health services.

Continuing Education Credits

The training course meets the qualifications for the provision of three (3.0) continuing education credits/continuing medical education credit/contact hours (CEs/CMEs/CEHs). UCLA Integrated Abuse Programs (ISAP) is approved by the American Psychological Association to sponsor continuing education for psychologists. UCLA ISAP maintains responsibility for this program and its content.

UCLA ISAP is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content. Course meets the qualifications for three (3) hours of continuing education credit for LMFTs, LCSWs, LPCCs, and LEPs as required by the California Board of Behavioral Sciences. UCLA ISAP is also an approved provider of continuing education for RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP, #2N-00-445-1123), CATCs (ACCBC/CAADE, #CP40 872 C 0822), and CAODCs (CADTP, #151). CE credit will be awarded at the conclusion of the training. Partial credit will not be available for those participants who arrive late or leave early.

The Stanford University School of Medicine designates this online activity for a maximum of 3.00 AMA PRA Category 1 Credit™. (Provider #0000751). Physicians should claim only the credit commensurate with the extent of their participation in the activity. The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for AMA PRA Category 1 Credit™ (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

Continuing education credit will be awarded within 6-8 weeks following completion of the virtual training. Credit will not be awarded to attendees who leave this training early.

Please contact Kim Medeiros at (808) 223-5805 or by email kkua-medeiros@mednet.ucla.edu if you have questions, concerns, special needs, or require additional information before registering for this web training.

Instructions for Filing a Grievance Concerning UCLA ISAP's Continuing Education Program:

Please contact Dr. Thomas E. Freese, CE Program Administrator, in writing:(UCLA ISAP, 10911 Weyburn Ave. Suite 200, Los Angeles, CA 90024) or by phone (310-267-5397). Alternately, you may contact Dr. Gloria Miele or Dr. James Peck, ISAP-affiliated doctoral-level psychologists responsible for program planning for the ISAP CE Program. Drs. Miele and Peck can be reached in writing at: 10911 Weyburn Ave, Suite 200, Los Angeles, CA 90024 or by phone at: 310-267-5888 (Miele) or 310-267-5346 (Peck).

Notice of Recording: The didactic/lecture portion of the trainings will be recorded.

If you need a disability-related reasonable accommodation/alternative format for this event, please contact Kim Medeiros at (808) 223-5805, kkua-medeiros@mednet.ucla.edu by March 24, 2022.

The Medicine Wheel

The Medicine Wheel, sometimes known as the Sacred Hoop, has been used by generations of various Native American tribes for health and healing. It embodies the Four Directions, as well as Father Sky, Mother Earth, and Spirit Tree—all of which symbolize dimensions of health and the cycles of life. - NIH

For more information on the medicine wheel, [click here](#).

The UCLA OASIS-TTA Program is funded by the Substance Abuse and Mental Health Services Administration (SAMHSA) State Opioid Response SOR 2 Grant to the California Department of Health Care Services (DHCS). Funding for this event was made possible (in part) by Cooperative Agreement #1 H79 T1080211 from the Substance Abuse and Mental Health Services Administration. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
