

New Paths for Advancing Adolescent Substance Use Research

November 15, 2023 | 11:00am – 12:30pm (PT)

About the webinar

This webinar will provide an interactive learning experience for attendees to explore adolescent substance use and new paths for research. Presenter Niranjan Karnik, MD, PhD will review recent data trends related to the prevalence of substance use among teens, describe current treatment approaches, and talk about the pros and cons of social media and digital mental health interventions.

Niranjan S. Karnik, MD, PhD, is the director of the Great Lakes Node of the National Drug Abuse Treatment Clinical Trials Network (CTN). His research focuses on data science, technology, and community-based interventions for vulnerable populations with psychiatric and substance use disorders.

Learning objectives

At the conclusion of the webinar, participants will be able to:

- Identify at least two (2) recent data trends related to the prevalence of substance use among adolescent populations.
- Specify at least three (3) current treatment approaches for adolescent substance use.
- Describe at least two (2) potentials and two (2) pitfalls of social media and digital mental health interventions.

1.5 CME or CE credits available. See credit types below.

Sponsored by the Northwest and Pacific Southwest Addiction Technology Transfer Centers (ATTCs) and the Western States Node of the NIDA Clinical Trials Network.

Accreditation & Credit Designations

In support of improving patient care, this activity has been planned and implemented by Stanford Medicine and the Northwest Addiction Technology Transfer Center (ATTC). Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

American Medical Association (AMA)

Stanford Medicine designates this Live Activity for a maximum of 1.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)

Stanford Medicine designates this live activity for a maximum of 1.5 ANCC contact hours.

American Psychological Association (APA)

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

CE Accreditation

This webinar meets the qualifications for the provision of one and one-half (1.5) continuing education credits/contact hours (CEs/CEHs). UCLA ISAP is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content. Course meets the qualifications for one and one-half (1.5) hours of continuing education credit for LMFTs, LCSWs, LPCCs, and LEPs as required by the California Board of Behavioral Sciences. UCLA ISAP is also an approved provider of continuing education for RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP, #2N-00-445-1123), CATCs (ACCBC/CAADE, #CP40 872 C 0825), and CAODCs (CADTP, #151). CE credit will be awarded at the conclusion of the webinar. **Partial credit will not be available for those participants who arrive late or leave early.**
