If you have any CE-related questions, please contact Darren Manley at dmanley@mednet.ucla.edu.

Course Instructors:

Michael S. Shafer, PhD

Michael S. Shafer, PhD is a professor at Arizona State University, School of Social Work and an Associate with the Pacific Southwest ATTC. From 1993 – 2018, Dr. Shafer served as the founding director of the Center for Applied Behavioral Health Policy, working in collaboration with federal, state to community agencies implementing treatment and recovery services at the

intersection of health care, social services, law enforcement, and other systems. This work has revolved around efficacious strategies of workforce development and staff training, community organizing and mobilization, policy and systems analysis; and, organizational change processes at the organizational, inter-organizational, systems levels. In 2015, Dr. Shafer facilitated the *ASU Community Collaborative*, embedding the ASU School of Social Work in the Westward Ho, a low-income 300 tenant housing complex in downtown Phoenix. Currently, Dr. Shafer teaches and mentors social work students at ASU's Tucson campus while developing teaching and research programs related to borderland migration-based services.

Dennis Skinner

Dennis Skinner is President of MANY-TO-ONE. With over 30 years of industry and leadership experience Dennis has deep expertise in problem solving, decision-making, process improvement, program management, strategic planning, organization design, and leadership development. After receiving his BSE in Industrial Engineering from Arizona State University, he spent 24 years with Intel Corporation, leading organizations in Manufacturing, Product Planning, Corporate Security, Internet Marketing, and Information Technology. Over the course of his career, Dennis has facilitated hundreds of workshops while building an impressive track record successfully leading business transformation initiatives affecting tens of thousands of employees. Dennis' enthusiasm, optimism, process-orientation, detailed preparation, and relentless focus on tangible results have led to his reputation as a master facilitator.
