Two-Day Intensive: The Coaching Clinic® for Managers and Leaders

Today's challenging and rapidly changing professional environment requires each person to perform at their best in order to achieve success and maintain staff engagement. In this two-day seminar, executives, managers, and leaders learn coaching competencies to:

- Manage and lead without always "telling"
- Develop talent
- Increase accountability and results
- Strengthen engagement at all levels
- Practice a respectful, collaborative, trauma sensitive approach

Thursday, April 4 - Friday, April 5

Hampton Inn & Suites

4600 Summit St, Kansas City, MO 64112

Complimentary refreshments and coffee; lunch on your own each day 12-1pm

CEUs pending

Rachelle is a certified facilitator of The Coaching Clinic through Coach U. She holds a professional coaching credential (PCC) with the International Coaching Federation. Her warmth, combined with her passion for helping others become their best, creates an engaging time of learning together.

Rachelle is also a licensed clinical psychotherapist with a strong background in behavioral health leadership and organizational change. She is past president of both the International Coaching Federation's AZ Charter Chapter and the Heartland Charter Chapter here in the Midwest.

The Coaching Clinic® is a foundational and powerful leadership program based on research and developed by Coach U. The Coaching Clinic® trains individuals in the skills necessary to coach within the organization. The model can be implemented immediately to promote innovation, accelerate results, improve communication and team effectiveness.
