Unpacking the CLAS Standards

The Mid America ATTC presents an educational opportunity to build cultural awareness with CLAS.

WHAT IS CLAS?

Culturally and Linguistically Appropriate Services (CLAS) consists of a basic introduction of the 15 standards that provide a framework for organizations, teams, or departments to extend and support cultural responsiveness within an operating system. The intention is to initiate conversations and yield compassionate outcomes within organizations and community providers to ensure services offered are inclusive, equitable, respectful, and available for marginalized populations.

INTENDED AUDIENCE

Any organization/individual working within a system striving to find solutions and implement equitable standing operating procedures to dismantle disparities of marginalized communities.
