ATTC

Culturally & Linguistically Appropriate Services (CLAS): Enhancing Cultural Responsiveness in Behavioral Health Services

The Mid America ATTC presents a FREE educational opportunity to build cultural awareness with CLAS!

COURSE OVERVIEW

The Culturally & Linguistically Appropriate Services (CLAS) training aims to enhance service quality and promote equity in health outcomes. By building cultural and linguistic awareness, this training helps reduce disparities and improve responsiveness to the needs of diverse populations.

INTENDED AUDIENCE

Any organization/individual working within a system striving to find solutions and implement equitable standing operating procedures to dismantle disparities of marginalized communities.

TRAINING SCHEDULE & DETAILS
